Who Is Centene Corporation?

Centene Corporation, a Fortune 100 company, is a diversified, multinational healthcare enterprise that provides a portfolio of services to government-sponsored and commercial healthcare programs focusing on under-insured and uninsured individuals.

Centene's core philosophy is that healthcare is best delivered locally. A local approach allows us to give our members access to high-quality and culturally sensitive healthcare services.

Centene's Vision and Purpose

For more than 30 years, Centene has remained deeply committed to **transforming the health of the community, one person at a time**, by delivering results for our stakeholders: state governments, members, healthcare providers, uninsured individuals and families, and other healthcare and commercial organizations.
