Graded Death Benefit Limitation

Our guarantee to accept all applicants age 50 to 80 is made possible by a Graded Death Benefit Limitation. It applies to the first two years of coverage when the policy is issued. If death occurs within the first two policy years for any reason other than an accident, all premiums plus 10% interest shall be paid to the beneficiary. If death is due to accidental causes within the first two policy years, the full death benefit shall be paid to the beneficiary. Applicant may qualify for a full death benefit policy that provides full benefits from inception.

After the two-year Graded Period, if the insured dies for any reason, the full face amount of the policy shall be paid to the beneficiary. If the insured dies by suicide within two years from the Issue Date, the only amount payable will be the premiums paid for the policy plus 10%, less any debt against the policy.

Exclusions and Limitations

Accidental Death: Death is considered accidental if it occurs as a direct result of, and within 180 days of, an accidental bodily injury. In order to qualify as a death from accidental causes, the death must occur while the policy is in force and within 180 days following the date of the accidental injury as defined further by the policy.

Exclusions: A Death Benefit will not be paid for an Accidental Death if it is an infection not occurring as a direct result or consequences of the Accidental Bodily Injury, and/or if it is caused or contributed by: disease or infirmity of mind or body or

medical or surgical treatment for such disease or infirmity; any attempt at suicide, or intentionally self-inflicted injury, while sane or insane; travel in or descent from an aircraft, if the Insured acted in a capacity other than as a passenger; travel in an aircraft or device used for testing or experimental purposes, used by or for any military authority, used for travel beyond earth's atmosphere; committing or attempting to commit a felony; occurring while the Insured is incarcerated; intoxication as defined by the jurisdiction where the accident occurred; riding or driving an air, land or water vehicle in a race, speed or endurance contest; rock or mountain climbing; aeronautics (hang-gliding, skydiving, parachuting, ultra light, soaring, ballooning and parasailing).

Benefit amounts are subject to Gerber Life insurance limits.

IMPORTANT NOTICE: REPLACEMENT OF LIFE INSURANCE OR ANNUITIES

**GERBER LIFE INSURANCE COMPANY
1311 Mamaroneck Avenue
White Plains, NY 10605
800-253-3074**

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract?

YES NO

2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract?

YES NO

PREMIUMS:

Are they affordable?

Could they change?

You're older -- are premiums higher for the proposed new policy?

How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:

New policies usually take longer to build cash values and to pay dividends.

Acquisition costs for the old policy may have been paid, you will incur costs for the new one.

What surrender charges do the policies have?

What expense and sales charges will you pay on the new policy?

Does the new policy provide more insurance coverage?

INSURABILITY:

If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.

You may need a medical exam for a new policy.

Claims on most new policies for up to the first two years can be denied based on inaccurate statements.

Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

How are premiums for both policies being paid?

How will the premiums on your existing policy be affected?

Will a loan be deducted from death benefits?

What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

Will you pay surrender charges on your old contract?

What are the interest rate guarantees for the new contract?

Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

What are the tax consequences of buying the new policy?

Is this a tax free exchange? (See your tax advisor.)

Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?

Will the existing insurer be willing to modify the old policy?

How does the quality and financial stability of the new company compare with your existing company?
