Section 1 – Introduction

This directory provides a list of Anthem Dual Advantage (HMO SNP)'s network providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage*.

This directory lists the providers in your area that are part of the network for your plan. When you go to network providers, you are responsible only for any deductible and copayment or coinsurance amounts required by your plan.

Primary Care Physician

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Physician (PCP).

The term “PCP” will be used throughout this directory. Generally, you must get your health care coverage from your PCP.

You will need to see your PCP first for your health care needs. Your PCP will arrange for other services, including specialty care, X-rays, laboratory tests and hospital care.

If you currently have a PCP who provides most of your care, please check to be sure that the physician is part of the network for your plan. If not, you should choose another PCP who is in the network.

If you choose a new PCP, you may want to have all of your past medical records sent to your new PCP's office.

The “network providers” listed in this directory have agreed to provide you with your health care, vision and dental coverage. You may go to any of our network providers listed in this directory; however, there are some services that require a referral from your PCP. See your *Summary of Benefits* or *Evidence of Coverage* to find out what services require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers. For certain types of care, your PCP may need to get prior authorization (prior approval) from us before you receive care. See your *Evidence of Coverage* to find out what services may need prior authorization and what services require a referral from your PCP before you receive care.

Out-of-network care

You must use plan providers except in emergency or urgent care situations or for out-of-area urgently required renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Anthem Blue Cross and Blue Shield will be responsible for the cost.

When in the service area, you must use plan providers for urgent care. When out of the service area, urgent care may be obtained from the first available provider. In addition, when out of the service area, you can obtain dialysis treatment from any qualified dialysis provider.

Emergency care can always be obtained in or out of the service area from the nearest available provider. You may receive covered emergency medical care whenever you need it, anywhere in the United States.

After your emergency is over, you are entitled to follow-up care. In general, post-stabilization care will be covered according to Medicare guidelines.

If you receive a bill from an out-of-network provider for a type of service that may be covered at an out-of-network provider, you should not pay the bill. Please send it to your plan to be processed and to determine whether you owe any portion of the cost.

What is the service area for Anthem Dual Advantage (HMO SNP)?

Anthem Dual Advantage (HMO SNP) 2015 Pharmacy Directory

This pharmacy directory was updated in July, 2014. For more recent information or other questions, please call Anthem Blue Cross and Blue Shield at **1-866-673-4157**, or for TTY/TDD users, **711, 8** a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through February 14, and Monday to Friday (except holidays) from February 15 through September 30, or visit www.anthem.com/medicare.

This directory is for Middlesex County of Connecticut.

We also list pharmacies that are in our network but are outside **Middlesex County of Connecticut** in which you live. You may also fill your prescriptions at these pharmacies.

Introduction

This booklet provides a list of Anthem Dual Advantage (HMO SNP)'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and Anthem Dual Advantage (HMO SNP)'s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under Anthem Dual Advantage (HMO SNP) only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of July, 2014. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail-order delivery program. For more information, please call us or see the mail-order section of this pharmacy directory.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with ♦ to distinguish them from other pharmacies in our network that offer standard cost sharing.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
