

Atlas Group®

The Atlas MultiTrip plan from MIS Group, a member of Tokio Marine HCC, is with you and your group of 5 or more almost anywhere you may travel in the world. Atlas Group coverage is perfect for mission trips, large family vacations, student groups abroad, corporate groups, and overseas excursions for other large organizations.

Why Choose Atlas Group®?

Whatever the reason, traveling internationally with a large group should be a pleasant experience. Emergencies and complications such as natural disasters, injury, or illness are a fact of life, and can be even tougher to manage if it is for a large group of people. While we hope none of these incidents happen... we're here to help if they do. For your peace of mind, coverage for medical expenses in case of hospitalization-including stay in an intensive care unit or outpatient treatment--emergency medical evacuation, and loss of checked baggage are just some of the benefits you can count on from Atlas Group.

My family has medical insurance in our home country; do we need group travel medical insurance?

Often, the primary medical insurance in your home country will not cover you and your family while traveling abroad. Medical costs can be very costly while abroad. Past clients have encountered over \$68,000 in medical expenses from an emergency medical evacuation alone. With Atlas Group plans starting at less than \$1 a day (per person), can you afford not to have coverage?

Additionally, Atlas Group includes essentials such as translation assistance while being treated, doctor and hospital referrals, and assistance replacing lost prescriptions.

After purchasing coverage, how can I trust the company to be there if I need them?

Emergency Medical Evacuation and Emergency Reunion

Would you know what to do if you found yourself in a life-threatening situation far from home? Tokio Marine HCC - MIS Group is experienced in arranging emergency medical evacuations. Atlas Group will cover the necessary expenses to transport you to the nearest medical facility qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. Atlas Group will also cover the transportation, lodging, and meal costs for a relative to join you after an emergency medical evacuation.

Repatriation of Remains

What would your family do if disaster strikes while you are away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, Atlas Group will arrange for and cover the costs associated with the repatriation of your remains.

Return of Minor Children

If you are expected to be hospitalized for more than 36 hours due to a covered injury or illness, and covered children under 18 years of age will be left unattended as a result, Atlas Group will cover the transportation cost for the children to return home.

Terrorism

In these turbulent times, the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, and the country you're visiting is NOT under a travel advisory, Atlas Travel offers coverage for medical expenses resulting from those acts.

Political Evacuation

If, during the coverage period and after your arrival, the United States government issues a travel warning for your destination country, Atlas Group will coordinate your alternate departure arrangements from that country and cover the associated costs.

Natural Disaster Benefit

Natural disasters can happen anywhere and at anytime. If a natural disaster occurs while on your trip, causing you to become displaced from your accommodations, Atlas Group will provide relief of a maximum of \$100 a day for 5 days to help cover the costs of alternative accommodations.

Hospital Indemnity

If you are hospitalized, the world around you does not stop. What's more, in some places hospitals do not provide their patients basic necessities like meals, toothpaste or soap. If you are hospitalized as an inpatient for treatment of a covered illness or injury, Atlas Group will provide \$100 for each night you spend in the hospital.
