Section VIII. Important Statements for Applicant to Read

- You do not need more than one Medicare Supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for and have enrolled in a Medicare Supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement policy under these circumstances and later lose your employer or union-based group health plan, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare Supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-income Medicare Beneficiary (SLMB).

I hereby apply to Cigna Health and Life Insurance Company for coverage to be issued based upon the truth and completeness of the answers to the above questions, and understand and agree that: (1) no agent has the authority to waive the answer to any questions on the application; (2) no insurance will be effective until (a) a policy has been issued by the Company and (b) the initial premium has been paid; and (3) I have received the Outline of Medicare Supplement Coverage for the policy applied for, the required *Guide to Health Insurance for People with Medicare*, and the MIB Notice.

CAUTION: Please review your answers to the questions on the application. It is important to the issuance of this policy that all questions are answered correctly and truthfully.

WARNING: Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit or knowingly presents false information in an application for insurance may be guilty of a crime and may be subject to fines and confinement in prison.

A recorded telephone interview may be used as part of the underwriting on your application for insurance.

I understand that the Medicare Supplement policy applied for will not cover loss due to Pre-Existing Condition(s) unless the expense for that loss is incurred more than six (6) months after the effective date of coverage. If, as of the date of application, you had less than six (6) months prior Creditable Coverage, the Pre-Existing Conditions limitation will be reduced by the aggregate amount of Creditable Coverage. If this policy is replacing another Medicare Supplement policy, credit will be given for any portion of the waiting period that has been satisfied. NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE

CIGNA HEALTH AND LIFE INSURANCE COMPANY

PO Box 559015, Austin, Texas 78755-9015 • 866-459-4272

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to your application, you intend to terminate existing Medicare Supplement or Medicare Advantage insurance and replace it with a policy to be issued by Cigna Health and Life Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that the purchase of this Medicare Supplement coverage is a wise decision, you should terminate your present Medicare Supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

STATEMENT TO APPLICANT BY ISSUER, AGENT, OR BROKER

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare Supplement policy will not duplicate your existing Medicare Supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare Supplement coverage or leave your Medicare Advantage plan. The replacement coverage is being purchased for the following reason (check one):

- ☐ additional benefits
- ☐ no change in benefits, but lower premiums
- ☐ fewer benefits and lower premiums
- ☐ my plan has outpatient drug coverage and I am enrolling in Part D
- ☐ disenrollment from a Medicare Advantage Plan – please explain reason for disenrollment _____
- ☐ other (please specify) _____

NOTE:

1. If the Issuer of the Medicare Supplement policy being applied for does not or is otherwise prohibited from imposing pre-existing condition limitations, please skip to note 2 below. Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new policy for similar benefits to the extent such time was spent (depleted) under the original policy.
3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premiums as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

DO NOT CANCEL YOUR PRESENT POLICY UNTIL YOU HAVE RECEIVED YOUR NEW POLICY AND ARE SURE YOU WANT TO KEEP IT.
