SECTION 1 - INTRODUCTION

Provider Directory

This directory provides a list of WellCare's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage. You will need to choose one of the network providers listed in this directory to be your primary care provider (PCP). The term PCP will be used throughout this directory. Generally, you must get your health care services from your PCP.

The PCP you choose will be your personal physician. He or she will get to know you and give you your routine care and will also coordinate any other covered services you need.

To choose or change your PCP, review the list of PCPs in this directory until you have found one you prefer. Once you've selected a PCP, the first thing you should do is call his/her office and ask if he/she still participates with WellCare, and is accepting new patients. Doing this is the best way to make sure you can choose that doctor. The fact that a provider is listed in this directory does not guarantee the provider is still in our network. Also, the provider may not be accepting new patients at the time you call to make an appointment. **If you are new to our plan and the doctor you've been seeing is a PCP in our network, you can choose that doctor as your PCP and you will not be considered a new patient by that doctor.**

What types of doctors can I choose to be my primary care provider (PCP)?

There are several different types of doctors who can be your PCP. Some of these include:

Family Practitioners

These medical providers focus on Family Practice. This means they are qualified to provide care to adults, infants and children.

General Practitioners

A doctor who is licensed as a General Practitioner may provide primary care to people of any age. Some General Practitioners take special training to provide primary care.

Geriatricians

This is a type of doctor who specializes in treating older adults (usually over age 65).

Internists

These are doctors who specialize in Internal Medicine. They focus on providing care to adults (typically people over the age of 18).

Obstetrician Gynecologist (OB/GYN)

An obstetrician/gynecologist (OB/GYN) is a physician who both delivers babies and treats diseases of the female reproductive organs.

Pediatricians

Pediatricians specialize in the treatment of children. **Please note that pediatricians are not listed in this directory. If you need the services of a pediatrician, please call Customer Service at the number listed on the first page of this booklet.**

What other types of providers can I visit?

Other (non-PCP) network providers listed in this directory have agreed to provide you with health care services. You may go to any of our network providers listed in this directory. However, you may be required to get a referral or authorization from your PCP before the plan will pay for visits to and services obtained from these providers. If you have been going to one network provider, you are not required to continue going to that same provider. If you feel you need to change providers, ask your PCP to refer you to a new non-PCP provider, or call Customer Service at the number on the first page and back cover of this booklet and ask for help finding a new provider. In some cases, you may get covered services from non-network providers. For details on out of network services covered by your plan, please see your Evidence of Coverage. Other physicians/providers are available in our network. Some of these include:

Walk-In Clinics

Walk-in clinics include urgent care centers and convenience care clinics which can be used when you need immediate care and are unable to see your PCP. Walk-in clinics may be open during the evenings and at certain times during the weekend when your PCP is not available. These clinics can treat injuries and illnesses that require immediate care but are not serious enough to warrant a visit to the hospital emergency room. Depending on your plan benefits, you may have a lower co-pay at a walk-in clinic than at an emergency room. Examples of conditions that are often treated in walk-in clinics include seasonal illnesses such as cold, allergy, flu or flu-like symptoms; sore throats or cough; sinus infections; eye infections such as pink eye. If you are unsure if your condition could be treated at a walk-in clinic, please contact the clinic or use our Nurse Advice Line. To get more information about your benefits for these types of clinics, please see your Evidence of Coverage.

Specialty Providers

These medical providers focus on a certain branch of medicine such as Cardiology, Chiropractic, Dermatology, Endocrinologists, Gastroenterology, Neurology, Obstetrics, Ophthalmology, Physical Therapy, Urology and many other fields.

Behavioral Health

These are providers who offer services such as Counseling or Psychology. They also help with emotional or mental health issues and substance abuse.

Hospitals

The hospitals listed in this section are covered by your plan in your area. However, if you have an emergency, call **911** or visit the nearest emergency room.

Additional Benefits

Additional benefits may include things like a fitness center membership, routine dental, vision and hearing care, access to a nurse advice line, and more. To find out if you are eligible for benefits like these, please see your Evidence of Coverage or contact Customer Service at the number listed on the first page and back cover of this booklet.

Other Services

Other services include Home Health Care, Skilled Nursing Facilities, Lab Services and Medical Equipment Providers. Please see your Evidence of Coverage or call Customer Service at the number listed on the first page and back cover of this booklet for more information about your specific plan's coverage.

What if my plan offers a Point-of-Service (POS) benefit?

If your plan offers a Point-of-Service (POS) benefit, keep in mind that, with the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers. For cost sharing and more information about the POS benefit and getting out-of-network services, see your Evidence of Coverage.

What should I do if I have bills from non-network providers that I think should be paid by WellCare?

We cover certain health care services that you get from non-network providers. These include care for a medical emergency, urgently needed care, renal (kidney) dialysis that you get when you are temporarily outside of the plan's service area, care that has been approved in advance by WellCare, care obtained via your plan's POS benefit (if applicable) and any services which are ordered to be covered as a result of an appeals process. If a non-network provider asks you to pay for any covered services you get in these situations, please contact us at:

WellCare Health Plans
Attn: Medicare Member Reimbursement
P.O. Box 31370
Tampa, Florida 33631-3389

Federal law states that you are not required to pay **any** provider who accepts Medicare more than what is allowed by Medicare. Ask non-network providers to bill us first or send us the bill when you receive it. We will pay for our share of the cost and let you know what, if anything, you must pay. If you have already paid for services covered by the plan, send us the bill and your receipt and we will reimburse you for our share of the cost.

How do I get care if I have a medical emergency or an urgent need for care?

Emergency care can always be obtained from the nearest available provider. When in your plan's service area, you should use network providers for urgently needed care. When out of the service area, urgently needed care may be obtained from the first available provider. In addition, when temporarily out of the service area, you can obtain dialysis treatment from any qualified dialysis provider. If you obtain routine care from out-of-network providers, neither Medicare nor WellCare will be responsible for the costs.

What should I do if I have a medical emergency?

If you have a medical emergency:

- Get medical help as quickly as possible. Call 911 or go directly to the nearest emergency room. In an emergency, you never need to contact any plan provider, for permission (authorization) or a referral.

- As soon as possible, make sure that our plan has been told about your emergency. We need to follow up your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Call our Customer Service Department at the phone number listed on the first page and back cover of this booklet.

Your PCP will help manage and follow up on your emergency care. It is important to know that every emergency has two stages.

When doctors or the hospital providing emergency care consider your condition “stable,” the first stage of the medical emergency ends. However, even after your condition is stabilized, you are still considered to be in an emergency situation. WellCare must still pay for post-stabilization treatment provided by the hospital whether the hospital is a network provider or not. This second stage of the emergency is called “post-stabilization.”

Generally, the hospital or doctors providing emergency care will work with your PCP to agree on an appropriate course of action such as discharge or transfer to a different facility or care setting. Once this has occurred, you are no longer in an emergency or post-stabilization situation.

After your emergency your plan is responsible for your follow-up care but will only pay for follow-up care if you follow the plan rules. You may need to get authorization for follow-up care from plan providers. If you get your follow-up care from non-plan providers, the plan may not pay for them and your out-of-pocket costs may be higher.

What if it wasn't really a medical emergency?

In order for the plan to pay for your emergency care, you do not have to be certain that it is an emergency. For example, you might go in for emergency care thinking that your health is in serious danger, but the doctor may disagree and not consider it a medical emergency. If this happens, you are still covered for the diagnostic treatment and care you received to determine what was wrong.

However, please note that:

- If you get any extra care after the doctor says it was not a medical emergency, your plan will only pay for the extra care if you get this care from a network provider. For more information about covered services, see your Evidence of Coverage.
- If you get any extra care from a non-network provider after the doctor says it was not a medical emergency, the plan will only pay for it if it is considered “Urgently needed.” For more information about what qualifies as “urgently needed care,” see your Evidence of Coverage.
- If your plan does not have a POS benefit, you must use plan providers except in emergency or urgently needed care situations. If you obtain routine care from out-of-network providers, neither Medicare nor WellCare will be responsible for the costs.

What is the service area for WellCare?

This directory is for Fairfield. For additional information, please call Customer Service at the number listed on the first page and back cover of this booklet.

How do I find WellCare providers in my area?

This directory lists providers that are in our network. The list of providers begins on page 1. They are grouped into several broad categories that include Hospitals, Primary Care Providers, Specialty Providers, Behavioral Health and others.

The list of providers is sorted by county. Within each county, the providers have been sorted alphabetically, by category and specialty. There are four additional lists at the end of the book that list providers alphabetically, by language, by specialty and by extended hours.

If you have questions about WellCare or need help in selecting a PCP, please call our Customer Service department at the phone number listed on the first page and back cover of this booklet. Or, visit www.wellcare.com/medicare.

SECCIÓN 1 - INTRODUCCIÓN

Directorio de proveedores

Este directorio provee una lista de los proveedores de la red de WellCare. Para obtener información detallada acerca de su cobertura de cuidado de la salud, por favor consulte su Evidencia de Cobertura. Usted necesitará elegir a uno de los proveedores de nuestra red listados en este directorio como su proveedor de cuidado primario (PCP). El término PCP será utilizado a lo largo de este directorio. Generalmente, usted debe recibir sus servicios de cuidado de la salud de su PCP.

El PCP que usted elija será su médico personal. Él o ella llegarán a conocerlo y le darán su cuidado de rutina, y también coordinarán cualquier otro servicio cubierto que usted necesite.

Para elegir o cambiar su PCP, revise la lista de PCP de este directorio hasta que haya encontrado el que prefiera. Una vez que haya seleccionado un PCP, lo primero que debería hacer es llamar a su consultorio y preguntar si él/ella todavía participan con WellCare, y si está aceptando nuevos pacientes. Esa es la mejor manera de asegurarse de que usted puede elegir a ese médico. El hecho de que un proveedor esté listado en este directorio no garantiza que siga estando en nuestra red. Además, es posible que no esté aceptando nuevos pacientes en el momento en que usted haga la cita. **Si usted es nuevo en nuestro plan y el médico que ha estado viendo es un PCP de nuestra red, usted puede elegir a ese médico como su PCP y usted no será considerado como un paciente nuevo por ese médico.**

¿Qué tipos de médicos puedo elegir como mi proveedor de cuidado primario (PCP)?

Existen diferentes tipos de médicos que pueden ser su PCP. Algunos de ellos son:

Profesionales de la familia

Estos proveedores de cuidado médico se concentran en la medicina familiar. Eso significa que están calificados para proveer cuidado a adultos, bebés y niños.

Profesionales de medicina general

Un médico con licencia en medicina general puede proveer cuidado primario a personas de cualquier edad. Algunos profesionales de medicina general reciben capacitación especial para proporcionar cuidado primario.

Geriatras

Este tipo de médico se especializa en el tratamiento de adultos de la tercera edad (usualmente, mayores de 65 años de edad).

Internistas

Estos son médicos que se especializan en medicina interna. Se concentran en proveer cuidado a adultos (típicamente, personas mayores de 18 años de edad).

Ginecólogo obstetra

Un ginecólogo obstetra es un médico que atiende el alumbramiento de bebés y que trata enfermedades relacionadas con los órganos reproductores femeninos.

Pediatras

Los pediatras se especializan en el tratamiento de niños. **Por favor tenga en cuenta que los pediatras no están listados en este directorio. Si usted necesita los servicios de un pediatra, por favor llame a Servicio al Cliente al número indicado en la primera página y en la cubierta posterior de este folleto.**

¿Qué otro tipo de proveedores puedo visitar?

Otros proveedores de la red (no PCP) listados en este directorio han acordado en proporcionarle los servicios de cuidado de la salud. Usted puede consultar a cualquiera de los proveedores de nuestra red listados en este directorio. Sin embargo, se le puede requerir que consiga un referido o autorización de su PCP antes que el plan pague por consultas y servicios obtenidos de estos proveedores. Si usted ha estado visitando un proveedor de la red, no tiene la obligación de seguir consultando al mismo proveedor. Si siente que necesita cambiar de proveedores, pídale a su PCP que lo refiera a un nuevo proveedor no PCP, o llame a Servicio al Cliente al número que aparece en la primera página y en la cubierta posterior de este folleto, y pida ayuda para encontrar un nuevo proveedor. En algunos casos, puede recibir servicios cubiertos de proveedores que no pertenecen a la red. Para detalles sobre servicios fuera de la red cubiertos por su plan, por favor consulte su Evidencia de Cobertura. Otros médicos/proveedores están disponibles en nuestra red. Algunos de ellos son:

Clínicas sin cita previa

Las clínicas sin cita previa incluyen centros de cuidado urgente y clínicas de cuidado conveniente, las cuales pueden ser utilizadas cuando usted necesita cuidado inmediato y no puede ver a su PCP. Las clínicas sin cita previa pueden estar abiertas en las noches y a ciertas horas durante el fin de semana, cuando su PCP no está disponible. Estas clínicas pueden tratar lesiones y enfermedades que requieran cuidado inmediato, pero que no son lo suficientemente graves como para justificar una consulta a la sala de emergencias de un hospital. Dependiendo de los beneficios de su plan, usted puede tener un copago más bajo en una clínica sin cita previa que en una sala de emergencias. Ejemplos de afecciones que a menudo se tratan en las clínicas sin cita previa incluyen enfermedades estacionales, tales como resfriado, alergias, gripe o síntomas de gripe; dolor de garganta o tos, infecciones sinusales, o infecciones de los ojos, tal como la conjuntivitis. Si usted no está seguro si su afección podría tratarse en una clínica sin cita previa, por favor, comuníquese con la clínica o use nuestra Línea de asesoramiento atendida por enfermeros(as). Para obtener más información acerca de sus beneficios para estos tipos de clínicas, por favor consulte su Evidencia de Cobertura.

Proveedores especializados

Estos proveedores médicos se enfocan en un campo de medicina en particular, como cardiología, quiropráctica, dermatología, endocrinología, gastroenterología, neurología, obstetricia, oftalmología, terapia física, urología y muchos campos más.

Salud del comportamiento

Estos son proveedores que ofrecen servicios como asesoramiento o psicología. También ayudan con asuntos emocionales o de salud mental y de abuso de sustancias.

Hospitales

Los hospitales listados en esta sección están cubiertos por su plan en su área. Sin embargo, si tiene una emergencia, llame al **911** o visite la sala de emergencias más cercana.

Beneficios adicionales

Los beneficios adicionales pueden incluir cosas como membresía de un centro de aptitud física, cuidado de rutina dental, de la visión y del oído, acceso a una línea de asesoramiento atendida por enfermeros(as), y más. Para averiguar si es elegible para beneficios como estos, por favor consulte su Evidencia de Cobertura o comuníquese con Servicio al Cliente al número listado en la primera página y en la cubierta posterior de este folleto.

Otros servicios

Otros servicios incluyen cuidado de la salud en el hogar, centros de enfermería especializada, servicios de laboratorio y proveedores de equipos médicos. Para más información acerca de la cobertura específica de su plan, por favor consulte su Evidencia de Cobertura o llame a Servicio al Cliente al número listado en la primera página y en la cubierta posterior de este folleto.

¿Qué sucede si mi plan ofrece un beneficio de Punto de Servicio (POS)?

Si su plan ofrece un beneficio de Punto de Servicio (POS), tenga en cuenta que con la excepción de emergencias o de cuidado urgente, obtener cuidado de proveedores fuera de la red puede costarle más. Para costo compartido y más información acerca del beneficio de POS y para obtener servicios de fuera de la red, consulte su Evidencia de Cobertura.

¿Qué debo hacer si tengo facturas de proveedores que no pertenecen a la red y creo que deben ser pagadas por WellCare?

Cubrimos ciertos servicios de cuidado de la salud que usted recibe de proveedores que no pertenecen a la red. Éstos incluyen cuidado para una emergencia médica, cuidado urgentemente necesario, diálisis renal (riñón) recibida cuando se encuentra temporalmente fuera del área de servicio del plan, cuidado que WellCare haya aprobado con anticipación, cuidado obtenido a través del beneficio de POS del plan (si es aplicable) y cualquier servicio que se haya ordenado cubrir por medio de un proceso de apelación. Si un proveedor fuera de la red le solicita que pague por los servicios cubiertos que usted recibe en estas situaciones, por favor comuníquese con nosotros a:

WellCare Health Plans
Attn: Medicare Member Reimbursement
P.O. Box 31370
Tampa, Florida 33631-3389

La ley federal establece que no se requiere pagarle a **ningún** proveedor que acepte Medicare, más de lo que está permitido por Medicare. Pida a los proveedores que no pertenecen a la red que nos facturen primero, o envíenos la factura cuando usted la reciba. Nosotros pagaremos nuestra parte del costo y le haremos saber lo que usted debe pagar. Si ya pagó por servicios cubiertos por el plan, envíenos la factura y su recibo, y le reembolsaremos nuestra parte del costo.

¿Cómo recibo cuidado en caso de una emergencia médica o una necesidad urgente de cuidado médico?

El cuidado de emergencia siempre se puede obtener del proveedor disponible más cercano. Cuando esté en su área de servicio del plan, debe usar proveedores de la red para cuidado urgentemente necesario. Fuera del área de servicio, el cuidado urgentemente necesario se puede obtener del primer proveedor disponible. Además, si se encuentra temporalmente fuera del área de servicio, usted puede recibir tratamiento de diálisis de cualquier proveedor de diálisis calificado. Si usted obtiene cuidado de rutina de proveedores fuera de la red, ni Medicare ni WellCare serán responsables por los costos.

¿Qué debo hacer si tengo una emergencia médica?

Si usted tiene una emergencia médica:

- Obtenga ayuda médica tan pronto como sea posible. Llame al 911 o diríjase directamente a la sala de emergencias más cercana. En una emergencia, usted nunca necesita comunicarse con ningún proveedor del plan para obtener permiso (autorización) o un referido.
- Tan pronto como sea posible, asegúrese de que nuestro plan sea informado de su emergencia. Necesitamos hacerle un seguimiento a su cuidado de emergencia. Usted o alguien más deben llamar para informarnos sobre su cuidado de emergencia, usualmente dentro de las 48 horas. Llame a nuestro Departamento de Servicio al Cliente al número indicado en la primera página y cubierta posterior de este folleto.

Su PCP ayudará a administrar y realizar el seguimiento de su cuidado de emergencia. Es importante saber que cada emergencia tiene dos etapas.

Cuando los médicos u hospitales que ofrecen cuidado de emergencia consideran que su condición ya es “estable”, finaliza la primera etapa de la emergencia médica. No obstante, aun después de que su condición se haya estabilizado, usted sigue siendo considerado en situación de emergencia y WellCare debe continuar pagando por el tratamiento de postestabilización provisto por el hospital, aunque el hospital sea o no un proveedor de la red. Esta segunda etapa de la emergencia, se denomina “postestabilización”.

Generalmente, el hospital o los médicos que proveen cuidado de emergencia trabajarán con su PCP para llegar a un acuerdo en cuanto a un curso de acción adecuado, tal como el alta o la transferencia a otro centro hospitalario o a un centro de cuidado diferente. Una vez que esto haya ocurrido, usted ya no se encuentra en una situación de emergencia o postestabilización.

Después de su emergencia, su plan es responsable de su cuidado de seguimiento, pero sólo pagará por cuidado de seguimiento si usted sigue las reglas del plan. Es posible que necesite obtener autorización de los proveedores del plan para su cuidado de seguimiento. Si usted obtiene su cuidado de seguimiento de proveedores que no pertenecen al plan, el plan puede no pagar por ellos y sus gastos de bolsillo pueden ser más altos.

¿Qué sucede si no se trataba realmente de una emergencia médica?

A fin de que el plan pague por su cuidado de emergencia, usted no tiene que estar seguro de que es una emergencia. Por ejemplo, usted se dirige a la sala de emergencias porque piensa que su salud está en grave peligro pero el médico no está de acuerdo y considera que no se trata de una emergencia médica. Si esto ocurre, el plan aún cubre el tratamiento y el cuidado de diagnóstico que haya recibido para determinar su estado de salud.

Sin embargo, por favor tenga en cuenta que:

- Si usted recibe algún cuidado adicional luego de que el médico le informa que no se trata de una emergencia médica, su plan pagará por el cuidado adicional únicamente si lo recibe de un proveedor de la red. Para más información acerca de servicios cubiertos, consulte su Evidencia de Cobertura.
- Si usted obtiene algún cuidado adicional de un proveedor no perteneciente a la red después que el médico diga que no fue una emergencia médica, el plan sólo pagará por él si es considerado como “urgentemente necesario”. Para más información acerca de lo que califica como “cuidado urgentemente necesario”, consulte su Evidencia de Cobertura.

Si su plan no tiene un beneficio de POS, usted debe utilizar proveedores del plan, excepto en situaciones de emergencia o de cuidado urgentemente necesario. Si usted obtiene cuidado de rutina de proveedores fuera de la red, ni Medicare ni WellCare serán responsables por los costos.

This pharmacy directory was updated on 08/04/2016. For more recent information or other questions, please contact WellCare at 1-866-579-8006 or for TTY users, 1-877-247-6272. INTRODUCTION

This booklet provides a list of our network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the WellCare Access (HMO SNP) and WellCare Rx (HMO) formularies.

When this pharmacy directory refers to “we,” “us,” or “our,” it means WellCare. When it refers to “plans” or “our plans” it means WellCare Access (HMO SNP) and WellCare Rx (HMO).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under our plans only if they are filled at a network pharmacy or through our mail-service pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription, but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 08/04/2016. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at mail service pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with an asterisk (*) to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail service delivery program. For more information, please contact us or see the mail service section of this Pharmacy Directory. Pharmacies are to obtain consent prior to shipping or delivering any prescriptions that you did not personally initiate.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. We will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the automatic refill program, please contact us 16 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us at the phone number listed on the first page of this booklet or visit www.wellcare.com/medicare. Some pharmacies offer both retail and mail services.

This directory is for Fairfield, which covers the area in which you live. However, we cover a larger service area, with more pharmacies at which you may fill your prescriptions. For information on additional pharmacies where you can get benefits under this plan, contact us at the number listed on the front and back covers.

Pharmacies in this directory are grouped by type of pharmacy and listed alphabetically, by county and city.

Some pharmacies offer an extended supply of medications. These pharmacies are identified by *Extended Medication Supply* after the pharmacy's phone number. Prior to filling your prescription, please call the pharmacy directly to confirm it has the quantity of medication you need.

Some pharmacies are open 24 hours a day. These pharmacies are identified by *24-Hour Pharmacy* after the pharmacy's phone number. Prior to filling your prescription, please call the pharmacy directly to confirm it is open 24 hours a day.

Some pharmacies offer e-Prescribing. This means the pharmacy will accept electronic prescriptions directly from your physician's office. Pharmacies that offer e-Prescribing are identified by *e-Prescribing* after the pharmacy's phone number.

We offer preferred cost sharing with CVS/caremark mail service. Our preferred mail service pharmacy is identified with an asterisk (*). As a member, you may have your prescriptions filled by any network pharmacy; however, the amount you pay may be lower using a network mail service pharmacy that offers preferred cost sharing than a network pharmacy that offers standard cost sharing.

If you have questions about any of the above, please see the first page and back cover of this directory for information on how to contact us.

DIRECTORIO DE FARMACIAS

Pueden producirse cambios en nuestra red de farmacias durante el año de beneficios. El Directorio de Farmacias actualizado se encuentra en nuestro sitio web www.wellcare.com/medicare. También puede llamar a Servicio al Cliente para información actualizada sobre proveedores.

y puede no ser la más actual disponible.**

INTRODUCCIÓN

Este folleto provee una lista de las farmacias de nuestra red. Para obtener una descripción completa de su cobertura de recetas, incluso cómo obtener sus recetas, por favor consulte la Evidencia de Cobertura y las listas de medicamentos de WellCare Access (HMO SNP) y WellCare Rx (HMO).

Cuando este directorio de farmacias se refiere a “nosotros”, “nos” o “nuestro”, significa WellCare. Cuando se refiere al “plan” o a “nuestro plan”, significa WellCare Access (HMO SNP) y WellCare Rx (HMO).

Las farmacias en esta lista reciben el nombre de “farmacias de la red” porque hemos acordado con ellas proporcionar los medicamentos con receta a los miembros del plan. En la mayoría de los casos, sus recetas están cubiertas por nuestros planes solo si son dispensadas en una farmacia de la red o a través de nuestra farmacia de servicio por correo. Una vez que usted visita una farmacia, no tiene la obligación de seguir yendo a la misma para obtener su receta, sino que puede ir a cualquiera de nuestras farmacias de la red. Dispensaremos medicamentos con receta en farmacias fuera de la red solo en circunstancias especiales, tal como se describe en su Evidencia de Cobertura.

Es posible que este directorio no incluya todas las farmacias de la red. Puede que se hayan incorporado o eliminado farmacias después de imprimir este directorio. Esto significa que las farmacias listadas podrían ya no estar en nuestra red, o que haya nuevas farmacias en nuestra red que no están listadas. Esta lista está actualizada al 08/04/2016. Para la lista más actualizada, por favor comuníquese con nosotros. Nuestra información de contacto aparece en las cubiertas frontal y posterior.

Usted puede ir a todas las farmacias de esta lista, pero los costos de algunos medicamentos pueden ser menores en las farmacias con servicio por correo de esta lista, que ofrecen un costo compartido preferido. Hemos marcado estas farmacias con un asterisco (*) para distinguirlos de otras farmacias de nuestra red que ofrecen un costo compartido estándar.

Usted puede solicitar que se le envíen sus medicamentos con receta a su domicilio a través de nuestro programa de servicio de entrega por correo de la red. Para más información, por favor comuníquese con nosotros o consulte la sección relativa a servicios por correo de este Directorio de Farmacias. Las farmacias deben obtener su consentimiento antes de enviar o entregar cualquier medicamento con receta que usted no haya solicitado personalmente.

Para renovar sus medicamentos con receta pedidos por correo, usted tiene la opción de inscribirse en un programa de renovación automática. Comenzaremos a procesar su próxima renovación automáticamente cuando nuestros registros indiquen que su medicamento está por acabarse. Nos comunicaremos con usted antes de enviar cada renovación para asegurarnos de que necesita el medicamento. Usted puede cancelar las renovaciones programadas si tiene una cantidad suficiente de su medicamento o si su medicamento ha cambiado. Si decide no usar el programa de renovación automática, por favor comuníquese con nosotros 16 días antes de la fecha en que cree que los medicamentos que tiene se acabarán para asegurarse de que le enviemos su próximo pedido a tiempo. Para dejar de participar en el programa de renovación automática, por favor comuníquese con nosotros al número de teléfono indicado en la primera página de este folleto o visite www.wellcare.com/medicare. Algunas farmacias ofrecen tanto ventas minoristas como servicio por correo.

Este directorio corresponde a Fairfield, que cubre el área en la que usted vive. Sin embargo, cubrimos un área de servicio mayor, con más farmacias en las que usted puede obtener sus recetas. Para información sobre farmacias adicionales donde puede obtener los beneficios de este plan, comuníquese con nosotros al número indicado en las cubiertas frontal y posterior.

Las farmacias en este directorio están agrupadas por tipo de farmacia y figuran alfabéticamente por condado y ciudad.

Algunas farmacias ofrecen un suministro extendido de medicamentos. Estas farmacias se identifican por *Suministro extendido de medicamentos* a continuación de sus números de teléfono. Antes de obtener su receta, por favor llame directamente a la farmacia para confirmar que tenga la cantidad de medicamentos que usted necesita.

Algunas farmacias están abiertas las 24 horas del día. Estas farmacias se identifican por *Farmacias las 24 horas* a continuación de sus números de teléfono. Antes de obtener su receta, por favor llame a la farmacia directamente para confirmar que está abierta las 24 horas del día.

Algunas farmacias ofrecen el servicio de recetas electrónicas. Esto significa que la farmacia aceptará recetas electrónicas directamente del consultorio de su médico. Las farmacias que ofrecen este servicio son identificadas como *Recetas electrónicas* a continuación de sus números de teléfono.

Ofrecemos costo compartido preferido con el servicio por correo de CVS/caremark. Nuestra farmacia de servicio por correo preferida está identificada con un asterisco (*). Como miembro, usted puede obtener sus medicamentos con receta en cualquier farmacia de la red. Sin embargo, el monto que usted paga puede ser más bajo utilizando una farmacia de la red con servicio por correo que ofrezca costo compartido preferido, en lugar de una farmacia de la red que ofrezca costo compartido estándar.

Si tiene preguntas sobre cualquier aspecto de lo anterior, por favor consulte la primera página y la cubierta posterior de este directorio para información sobre cómo comunicarse con nosotros.
