CAN MEAN BIG SAVINGS

* UnitedHealth Group Annual Form 10-K for year ended 12/31/15.

This is an outline only and is not intended to serve as a legal interpretation of benefits. Reasonable effort has been made to have this outline represent the intent of contract language. However, the contract language stands alone and the complete terms of the coverage will be determined by the policy. State specific differences may apply. This brochure must be used in conjunction with the Short Term MedicalSM State Variations Inserts (43854i-G, 43854iGA-G, 43854iNV-G, or 43854iOR-G).

UnitedHealthcare Choice Plus Network

Our nationwide network of doctors and hospitals provides you with great value for your health care dollars. We contract with providers offering quality care at a significant discount. Getting your non-emergency care from a doctor or hospital not in our network will cost you more.

Sample Savings with Our Network (Services provided 05/2015-12/2015)¹

Receive quality care at reduced costs because our network providers have agreed to lower fees for covered expenses. Here are some examples of the savings:

| Benefit | Actual Charges | Network Repriced Charges | Network Savings |
|---|----------------|--------------------------|-----------------|
| Doctor Office Visit - established patient | \$75.39 | \$35.73 | 53% |
| MRI | \$847.09 | \$233.25 | 72% |
| Lipid Panel (Cholesterol) | \$76.73 | \$12.63 | 84% |
| CBC (Complete Blood Count) | \$29.52 | \$6.28 | 79% |
| Metabolic Panel (Blood sugar/kidney and liver function) | \$45.98 | \$8.03 | 83% |
| General Panel (General blood work) | \$140.38 | \$29.40 | 79% |

Nonemergency covered expenses

Using non-network providers you pay:²

- All charges above what is considered an eligible expense (see page 12 for details);
- A penalty of 25% of the eligible expense, which does not count toward the deductible; and
- A deductible equal to 2 times the network deductible.

There is no out-of-pocket maximum for non-network providers.

¹ All these services were received from network providers in ZIP Code 630--. Your actual savings may be more or less than this illustration. Discounts vary by provider, geographic area, and type of service.

² Your actual out-of-pocket expenses for covered expenses may exceed the stated coinsurance percentage because actual provider charges may not be used to determine insurer and insured's payment obligations. Considering these factors, seeing in-network providers can result in a big savings for what you pay for your health care.

How our plans work

- You can receive care from any doctor or hospital in our network.
- If you're looking for a specialist, no referral is needed.
- You receive maximum benefits from the plan when you use network providers.
- Using a non-network doctor or hospital for non-emergency care will cost you more.

A Choice of Coverage to Fit Your Specific Needs

- You select the term from 30 to 360 days,¹ deductible, and coinsurance that fit your budget. See pages 6-7 for details.
- Once you meet your deductible for the term, you pay a percentage of covered expenses (coinsurance) up to a maximum out-of-pocket amount.
- Then insurance pays 100% of the remaining covered expenses up to the lifetime maximum benefit.

Your policy will take effect on the later of:

- The requested effective date on your application; or

 1. The fee negotiated with the provider;

Short Term MedicalSM Plans

Our plans offer easy-to-understand health insurance designed for individuals and families in times of transition and change with up to \$1,500,000 of coverage.

This short term major medical policy is nonrenewable.

Short Term MedicalSM is issued for a specific period of time. If your needs for coverage extend beyond this plan, you may apply for additional short term plans. This requires a new application and is not an extension of your current plan. Any illness or condition you develop while covered by your current plan would be considered “preexisting” when you apply for a new short term plan and, as such, will not be a covered expense. Please see insert for state variations. We will notify you in advance of any changes in coverage or benefits. Not available in all states. Nonrefundable \$20 application fee is required.
