SAFETY & SECURITY WITH OPTIONS

EQUITABLE SECURE SAVINGS™ MAY BE A GOOD FIT FOR YOU IF YOU ARE LOOKING FOR:

GROWTH YOU CAN COUNT ON

Your premium will earn a guaranteed compound rate of interest for the guarantee period you choose, regardless of how the stock market performs. This guarantee period can be 2 or 5 years.

SHORT TERM COMMITMENT OPTIONS*

After the initial 2- or 5-year guarantee period, you will have the opportunity to access the full value of your annuity. If you are pleased with your growth and would like more, you can renew your contract.

PRINCIPAL PROTECTION

Are you tired of stock market ups and downs? Your funds in the Secure Savings annuity are 100% principal protected. As long as you keep your annuity for the guarantee period, your principal and interest earned are fully guaranteed.

TAX DEFERRAL

All interest earned in annuities is tax deferred. You won't pay taxes on any interest until you access the funds in your annuity.

ACCESS TO FUNDS FOR LIFE'S CURVEBALLS

In the first policy year, you can withdraw up to the greater of the accumulated interest on your account or your Required Minimum Distribution (RMD), if applicable, without penalty. Each policy year after the first, you can withdraw up to the greater of 5% of your account value, the accumulated interest on your account or an applicable RMD, without penalty. After the guaranteed period, you can access the full account value of your annuity.

INCOME OPTIONS

Upon maturity, you can convert your annuity into a guaranteed income benefit.

WEALTH TRANSFER

The full account value is available to your loved ones after your death.

GET STARTED WITH EQUITABLE SECURE SAVINGS™ IN TWO EASY STEPS:

1. Determine how much you would like to save.

You can purchase the annuity with a minimum single premium of \$10,000. Contributions larger than \$500,000 require home office approval.

2. Choose your guarantee period.

You can select the guarantee period that best suits your financial goals. The longer the guarantee period, the higher the guaranteed compound interest rate. If the 2-year guarantee period is selected, then interest rates are guaranteed for the first 2 years of the contract.

Equitable Secure Savings™ with Wealth Transfer options.

Equitable Secure Savings™ includes a death benefit that guarantees your beneficiary will receive the annuity's full account value. It will be paid as long as an income option has not been elected.
