*The information provided in this catalog is for informational purposes only and is subject to change at any time. After enrolling in the program, you will receive updated program information, which may include a revised product listing, pricing and other program details.*

*This catalog provides general information about items that may be available for purchase with your OTC benefit. The information in this catalog is for your convenience only and is not medical or health advice. The inclusion of an item in this catalog does not constitute a recommendation or endorsement of the item by your health plan. Your health plan is not responsible for the accuracy or completeness of the information contained in the catalog. Some items may be covered under Medicare Part B or Part D. For instance, gauze may be covered under Part B when used for dressing a wound. Items that are covered under Medicare Part B or Part D may not be purchased with your OTC benefit. Contact your health plan for questions about coverage for specific items.*

*\*Dual-purpose items. A dual-purpose item is one that can be used for a health problem or for a general purpose. Things like vitamins are dual-purpose items. Talk to your doctor and your health plan before buying a dual-purpose product. Do not buy a dual-purpose product if your doctor or your health plan doesn't agree. If your doctor and your health plan do agree, you may buy the item(s) through your OTC benefit. Dual-purpose products are marked with an asterisk (\*).*
