

2022 Over-the-Counter (OTC) Health Solutions (OTCHS) Product Catalog

Keep this booklet where you can easily get to it. You'll want to reference this often and use it to help you place an OTC order.

Use this to place an OTC order between January 1, 2022 and December 31, 2022.

Here are three convenient ways to place an order.

Choose the way that works best for you.

In-store

(where available)

You can obtain your OTC items at select approved participating OTCHS-enabled CVS Pharmacy® or Navarro® stores. To find your nearest location, go to cvs.com/otchs/myorder/storelocator.

How to use your OTCHS benefits in store:

- 1. Refer to your OTC catalog to identify items in the catalog you want to purchase. Only the items listed in your catalog are available through your plan. If an item with a blue label is not listed, you will not be able to select it.**
- 2. Go to any select approved participating OTCHS enabled CVS Pharmacy®, CVS Pharmacy y más®, or Navarro® store.**
IMPORTANT: Not all CVS stores participate in this benefit. To find your nearest location, go to cvs.com/otchs/myorder/storelocator or contact OTCHS at **1-833-331-1573 (TTY: 711)**.
- 3. Go to OTCHS section of the store (for stores with a dedicated section) to locate eligible products with blue signs. Or look for the blue labels identifying eligible approved products throughout the store.**
Note: In-store prices may vary from those listed in this catalog. However, the prices listed in the catalog are what will be deducted from your benefit. Products with blue labels may be located in the dedicated OTCHS section or throughout the aisles in the store.
- 4. You can redeem your benefit at any register. To check out, inform the cashier you have an OTC benefit. Present your member ID insurance card or a valid ID to the cashier before the cashier begins to scan products. Your member ID card is used to verify eligibility, not as a payment.**

Please note that the regular retail price in the store may vary. For prices that apply when you use your OTC benefits, please consult this catalog. Catalog prices cannot be combined with promotional offers or ExtraBucks® Rewards. Not all products will be carried in all CVS® OTCHS enabled stores.

Online

The fastest, easiest and most convenient way to order 24/7 is to visit **cvs.com/otchs/myorder**.

How to place an order online:

1. Create an account

- If it's your first time placing an order online, you will need to create an account by visiting **cvs.com/otchs/myorder**.
 - Choose the **"Create Account"** button and follow the instructions.
 - You will need your **member ID, date of birth, ZIP code** and **current email address**. (Each member registering needs to have a separate email address. If a member shares an email address with a spouse or caregiver who also has an OTC account, they will only be able to register one account.)
 - You will also need to create a password.
- If you need help locating your member ID, select "Get help locating your member ID."
- Remember to save your password for future orders. You'll need your member ID or email address along with your password to sign in again.
- If you forget your password, choose the "Forgot Password?" button to create a new one.

2. Place an order

- Once you sign in, your benefit amount and balance will be displayed at the top of the page.
- Browse through the available products and add to your basket. Your order total will automatically deduct from your balance at the top of the page.
- Once you are ready to place your order, choose "Checkout."
- On the Checkout page, confirm the shipping address displayed is correct by selecting the disclaimer. Then, review and place your order. It will arrive within 14 days.
- You will receive an email with tracking information once your order has shipped. You'll receive another email once your order has been delivered.
- Please review the order frequency limits located on the FAQs to avoid missing benefit funds.

Reminder: Orders for each benefit period must be placed by 11:59 PM ET of the last day of the period.

Phone

You can place an order by calling **1-833-331-1573 (TTY: 711)**.

Monday – Friday, 9 AM – 8 PM local time (except Hawaii) where you can speak to a live agent. You can also order 24/7 via our automated system. Please have your member ID card and order ready when placing your order by phone.

How to place an order by phone (IVR system):

1. Call OTCHS at 1-833-331-1573.
2. Once the system locates your account, you will be asked to input your date of birth in MMDD format.

3. The system will verify the name and address on the account.

4. You need to select the numerical portion of the item code.

Example: If you would like to order item “C11 Sore Throat Lozenges,” you will select “11” and wait for the prompt to confirm the item. Once the system locates the item, it will read back the product name and quantity and ask if the selection is correct. Please allow the system to complete the statement before making your selection.

- If yes, the system will add the item to your cart.
- If no, the system will provide an option to edit the product or the quantity.

5. Once the order is completed, you will have the choice to review the items in the cart or submit the order.

- If you submit the order without review, the system will provide a confirmation number and the call will disconnect.
- If you want to review your order, the system will enable you to edit the items, start over, submit the order or speak with a representative.

Note: Should you choose to speak to a representative, your items will not be saved. You will have to restart your order.

- Through the IVR system, you will also be able to track your order and/or request a catalog.

Please note:

- **There is a quantity limit of nine (9) per any single item, per quarterly benefit, with the following exceptions:**
 - Blood pressure monitors and pill box with alert reminder, which are limited to one (1) per year
 - Digital thermometers, which are limited to one (1) per quarterly benefit period
 - Rechargeable toothbrushes, which are limited to one (1) per quarterly benefit period
 - The TENS Targeted Muscle Therapy machines, which are limited to one (1) per quarterly benefit period
 - The standard Quad cane black and Heating pad are limited to one (1) per quarterly benefit period
- Online orders must be submitted by 11:59 PM local time (except Hawaii) to be acknowledged and processed as an order for that day.
- Orders will be shipped to your home at no extra charge. Please allow 14 days for delivery.
- **Return policy:** If you receive a damaged item, please call OTCHS within 30 days after receiving your order. An identical replacement item will be shipped. No other returns or exchanges are allowed.

Important information to remember:

- Products in this catalog may be ordered only for the enrolled member.
- The price of an item may not exceed the amount of your benefit amount.
- Reimbursements are not allowed for this benefit. Items purchased outside of the benefit are not covered or reimbursable.
- All applicable OTC benefit limits apply to all channels including in-store/retail transactions at participating store locations.
- A member cannot mail in their OTC order request to Member Services.

If you have not received your order within 14 days after ordering or you would like to place an order by phone, just call: 1-833-331-1573 (TTY: 711).

We experience high call volumes the first and last weeks of the month. Your OTCHS order can be placed at any time during the month. Monday – Friday, 9 AM – 8 PM local time (except Hawaii).

Not all items are available in all stores. If your item is not available, please contact OTCHS or visit cvs.com/otchs/myorder/storelocator to process your order.

If a product becomes out of stock after you order it, we'll put it on backorder. We'll ship it to you as soon as it becomes available.

- You'll receive an email advising the product is delayed.
- If your items are shipped and there are some missing items, the packing slip will show those missing items.
- You can call Member Services for the latest status updates or to request a replacement order.
- If the product is out of stock when you try to place an order, you won't be able to order it.
- This applies to phone and online orders.

Any items marked with a “*” will be available for home delivery only. Any item marked with a “***” is identified as a dual-purpose item. Members may order the item only after discussing the item with their doctor who recommends the item for a particular purpose.

Frequently Asked Questions (FAQs)

Where can I find my member ID number?

You can find it on the front of your health plan ID card.

What is the Over-the-Counter (OTC) benefit?

The OTC benefit offers you an easy way to get generic over-the-counter health and wellness products. You can order them by phone at **1-833-331-1573 (TTY: 711)** or online at **[cvs.com/otchs/myorder](https://www.cvs.com/otchs/myorder)**. You order from a list of approved OTC items in the catalog. Then OTCHS will mail them directly to your home address. You can also go to any OTCHS-enabled participating CVS Pharmacy® store to use your benefit, where available.

Will my benefit change in 2022?

Your benefit amount may change. If you had a monthly benefit in 2021, you should now have a quarterly benefit in 2022.

How much is my OTC benefit?

The amount depends on your benefit plan. Check your plan documents or call OTCHS at **1-833-331-1573 (TTY: 711)**.

Can I carry over unused benefit amount to the next benefit period?

Unused benefit amounts do not roll over to the next quarter. The quarterly benefit is based on a calendar year quarter: January – March, April – June, July – September, and October – December.

How long will it take to receive my order?

You will receive your order within 14 days.

Is there a return policy?

If you receive a damaged item, please call OTCHS at **1-833-331-1573 (TTY: 711)** within 30 days after receiving your order. An identical replacement item will be shipped. No other returns or exchanges are allowed.

Can I cancel my order once it has been placed?

You can only cancel orders within ONE HOUR after being processed.

How do I confirm my order was placed?

Once the order has been completed, you'll receive a confirmation number. Always make sure to receive and keep your confirmation number.

Can I track my order?

You can opt in to receive tracking information via email or text. Simply advise an agent when placing your order. If you order online, you will automatically be set up to receive tracking information.

How can I receive another copy of this catalog?

You'll receive a digital version of the catalog with every tracking email/text. You can also contact Member Services with the number on your ID card to request one.

Where can I get additional information about the products?

This catalog includes SKU numbers. You can use them at **www.cvs.com** to search for product images and obtain additional product information such as ingredients.

How will the items be shipped?

Items are shipped via USPS to your home at no added charge to you. Please allow up to 14 days for delivery.

Who can I call if I have questions?

You may call us at **1-833-331-1573 (TTY: 711)** from 9 AM – 8 PM, local time (except Hawaii) Monday – Friday. Or visit **www.cvs.com/otchs/myordermyorder** for more FAQs.
